

GETTING STARTED WITH SIMMS

PART A: Setup

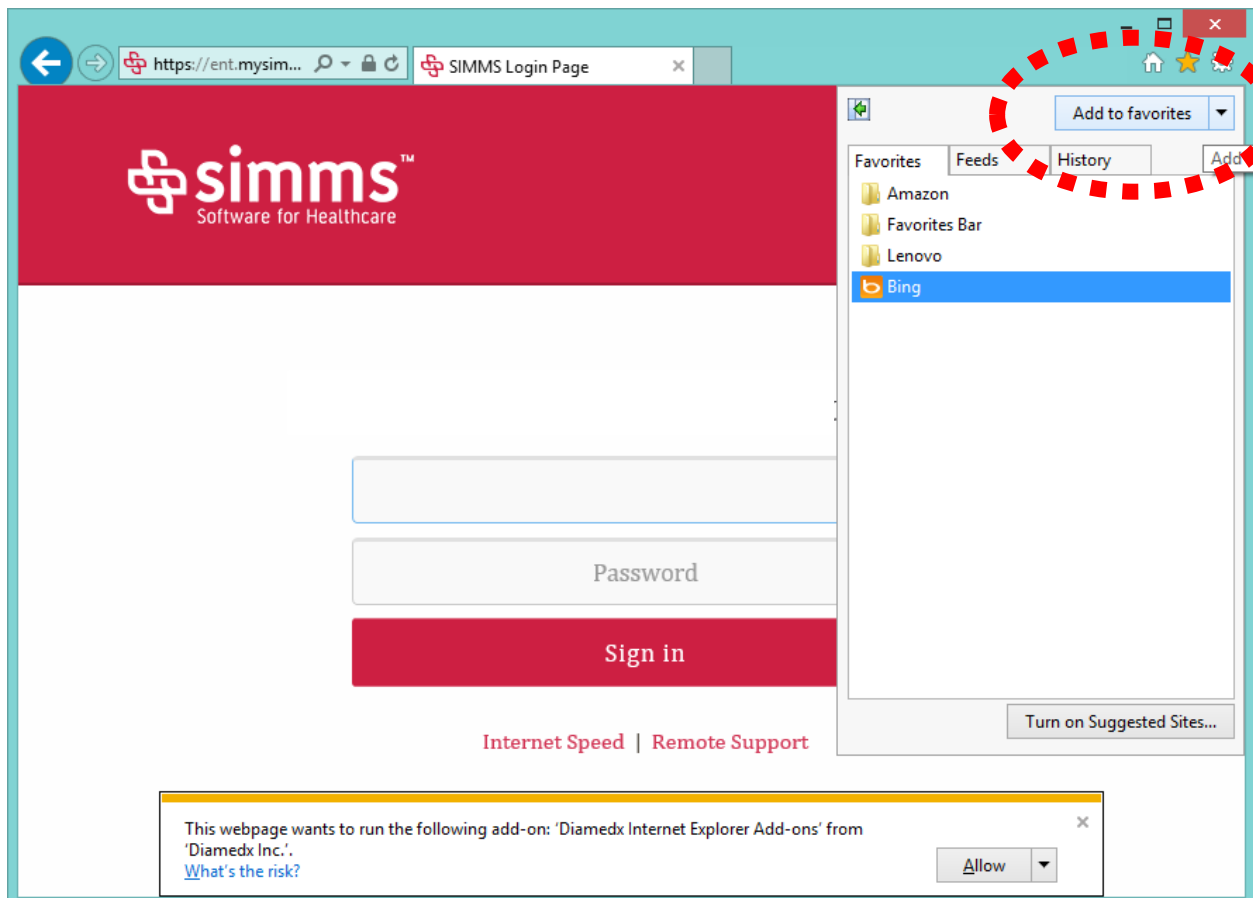

Accessing SIMMS is easy. A quick one-time set up is all that is required to get started.

Step #1 Open Internet Explorer.

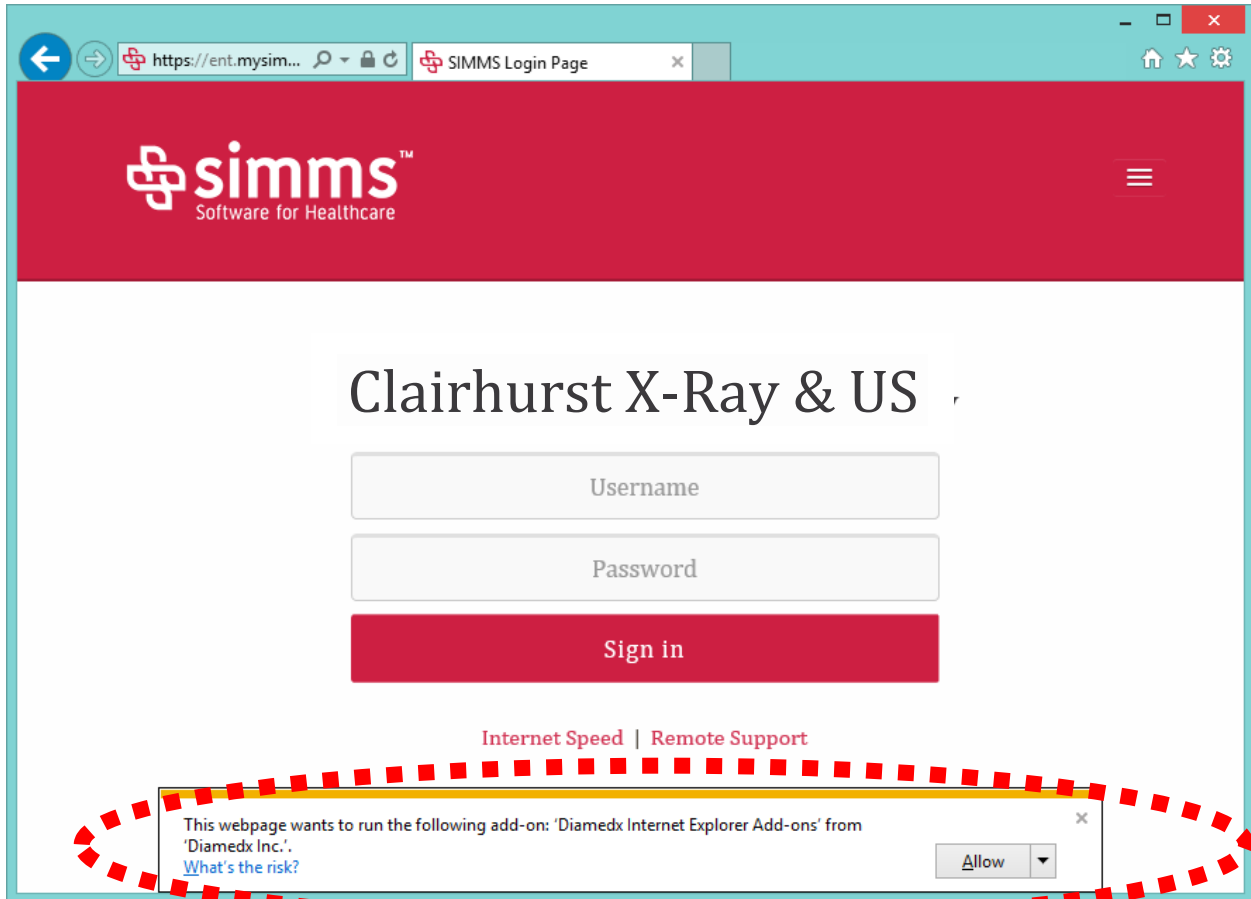

- **ALWAYS use Internet Explorer to access SIMMS.**

Step #2 Visit <https://ent.mysimms.com/crt/login.aspx>

- HINT: Bookmark this website by clicking 'Favourites' and 'Add to Favourites' located in the top right hand corner.

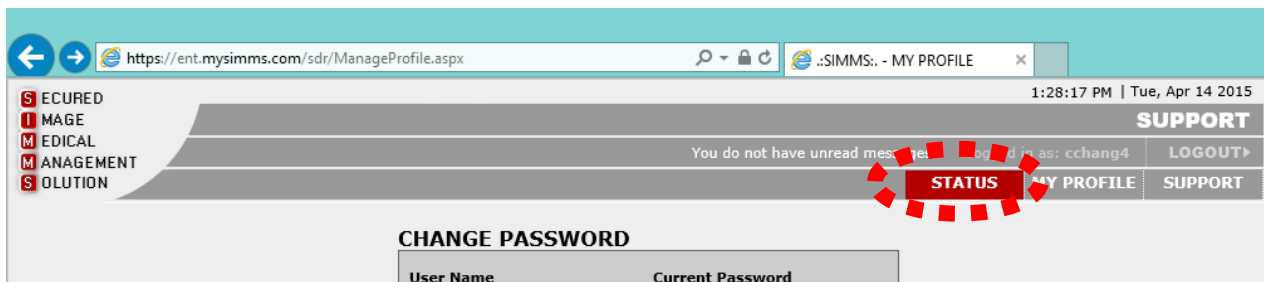

Step #3 A box on the bottom of your screen will ask you to run an add-on called "Diamedx Internet Explorer Add-ons." Click 'Allow.'

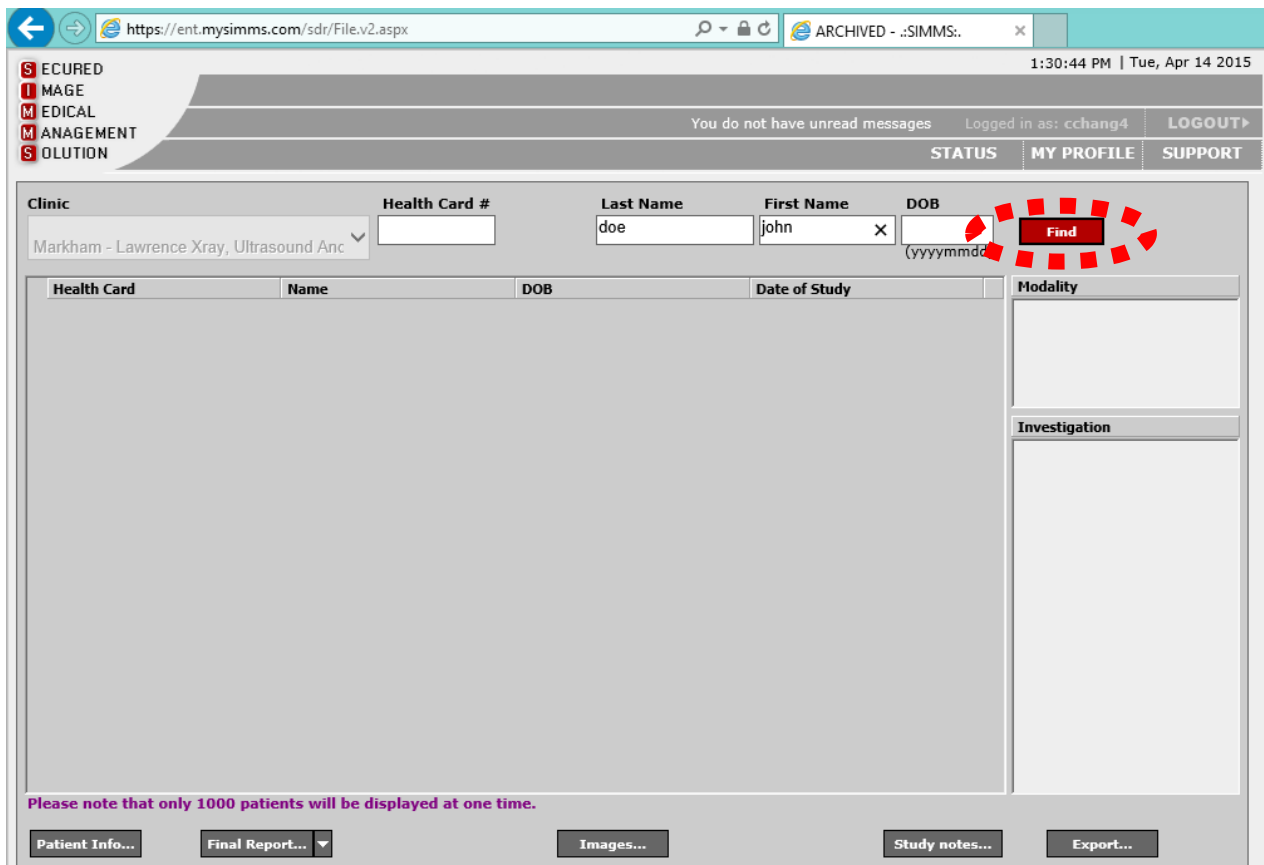

Step #4 Sign in with your username and password that we provided to you.

Step #5 Click 'Status' located in the top right-hand corner.

Step #6 Search for your patient using either Health Card #, Last Name, First Name or DOB. Click 'Find.'

- NOTE: Only patients whom you have referred will appear.
